# Welcome from the Mayor 2020/21

Welcome to the Chepstow Town Council Annual Report for 2020/21.

I hope that you will enjoy reading the Annual Statement and learn more about the work that Chepstow Town Council has carried out and facilitated on behalf of the people of Chepstow.

Thank you once more to my fellow Councillors and our hard working office staff for their hard and diligent work. Without this the Council couldn't function. I once again also want to thank all the organisations, groups and individuals who have brought their expertise and support to the Council, for the improvement and well being of the communities of Chepstow.

I am ever grateful that my fellow Councillors elected me as Mayor for a second time for the year 2020/21 at its Annual Meeting that was held somewhat delayed in September 2020. It feels good knowing that I did a good job as Chair during 2019 and the early part of 2020 and that there was cross party support for me continuing as Mayor. I hope my ability to be impartial as Chair and allow everyone to be heard has allowed the Council to make more decisions and enact more projects for the communities of Chepstow and Bulwark.

We have been holding online video meetings in accordance with Welsh Government legislation, and have continued to do what we can, alongside Monmouthshire County Council, to support both our local businesses and residents in these continued uncertain times. I am proud to say we have only cancelled one full council meeting since March 2020 and that one fell on the week the UK government called a countrywide lockdown. For this I thank the quick and agile office staff for facilitating and putting systems in place for these meetings and also for my fellow Councillors (some who I know don't enjoy online meetings) who persevered and attended as many as they could even when internet bandwidth and technology was against them.

Unfortunately COVID 19 has continued to hamper events and public gatherings so sadly I don't have any exciting events to talk about this past year but rest assured we are busy beavering away in the background and I'm sure we can look forward to events returning in 2021.

On a final sad note I'd like to dedicate my past mayoral year to our good friend and fellow Councillor David Dovey who passed away at the beginning of 2021. David always had a twinkle in his eye that could disarm the most heated debates at Council. He will be truly missed by us all at Chepstow Town Council. My thoughts go out to Stephanie Dovey and her family. They broke the mould when they made David and I'm glad I could call him a friend.

Please stay safe and look after each other.

Cllr Tom Kirton

# Introduction

## **Covid 19**

The past year has been a testing time for all with the onset of the COVID-19 pandemic and subsequent lockdowns, which has made life feel very different from March 2020. As a Council our ways of working changed when the office was forced to close its doors and staff had to adjust to working from home for the first time. Telephone calls were diverted, some services stopped and projects delayed. However legislation was soon put in place allowing the continuation of council and committee meetings virtually. The purchase and use of a Zoom video-conferencing licence became a lifeline in the continuation of work of the Town Council and is a completely different approach to our work. However, once a few initial technical issues were resolved the meetings became a great success allowing for the work of the Council to continue.

As a Council, we are always striving to improve the services we offer by making use of the resources that are available to us. Nevertheless, there is always more we can do, and we hope that this annual report detailing our work will encourage more people to get involved, learn about the Council's role and maybe even consider becoming a Councillor in the future.

Part of the Annual Report is required by law – the Well-being of Future Generations Act (Wales) 2015 – to show how the Council's work contributes to the objectives set out in the Monmouthshire Local Well-being Plan.

The content of the rest of the report is far more flexible and at its core is setting out what the Council said it would do in 2019-20 and what it actually did.

The Council welcomes your feed-back on what could be added, improved, or subtracted to make future annual reports more readable, informative and appealing.

## **Communication**

We are committed to promoting good communication and continue to build and maintain open communication lines with the public and the residents of the town. To ensure that the Council's news, updates and information are accessible to as many individuals as possible, we have adopted various methods of information sharing:

Website: [www.chepstow.co.uk](http://www.chepstow.co.uk)

We created a new website this year which is more vibrant and contains lots of useful information and pictures of our beautiful town. The website is regularly updated with agendas and minutes allowing you to keep up to date with Council business.

Facebook: Chepstow Town Council – CTC

The Town Council Facebook page is a popular method of communication and has provided us with a great tool to get information out quickly, especially during the recent pandemic.

# Introduction

## Town Maintenance & Amenities

We are responsible for maintaining a number of amenities around Chepstow however these do not include the highways, car parks or bus shelters.

Street Cleansing - In partnership with Monmouthshire County Council Monday – Fridays with direct ownership for weekend street cleansing in the main shopping areas of Bulwark and the town.

Benches - Presently, we own and maintain many of the seats and benches situated in the town, some of which have plaques which have been donated in memory of people for whom Chepstow was a special place.

Dog Bins - We are responsible for emptying some 40 dog bins throughout the town and are members of the County Council initiative “Give Dog Fouling the Red Card”.

Defibrillators - The Town Council where possible is adopting unused silver BT Phone boxes for installation of (AED) Automated External Defibrillator units all of which are registered on downloadable apps. We have also funded one on the exterior of the Community Hospital.

Litter Bins - In partnership with Monmouthshire County Council many of the litter bins have been replaced over the last two years.

Public Toilets - We undertake to open, close, clean and maintain the public toilets at Thomas Street, Welsh Street Car Park, Tourist Information Centre and the Riverbank. Opening times are 9am—4pm (winter) and 9am—6pm (summer).

CCTV– In partnership with Monmouthshire County Council we provide CCTV in the town centre.

Notice Boards - There are 14 notice boards around the Town many of which are updated weekly with details of community events.

War Memorials - We undertake to maintain the War Memorial and War Memorial Gun at Beaufort Square.

### ***We also provide:***

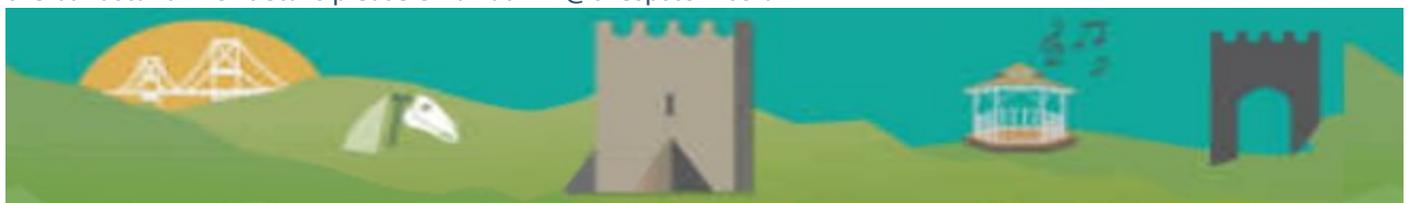

Tubs and Baskets - We are responsible for a number of flower tubs and planters located around the town. These are all planted with permanent bee friendly plants to support the Council's commitment to biodiversity and sustainability

Hanging Baskets - The Town Council provides and waters some 225 baskets across the town and Bulwark for 16 weeks of the summer.

Christmas Lights - The Christmas Lights are switched on for a period of about six weeks from late November into the New Year. 2020 was the first year of a three-year contract for which the Council pays £15,000 annually for the provision of the displays, including installation, removal and storage. Due to the pandemic the annual Christmas light switch-on event 2020 was cancelled.

Pop-up shelters - We have 15 pop-up shelters which we hire out free of charge to local community groups to support them in their events. For hire details please email [admin@chepstow.co.uk](mailto:admin@chepstow.co.uk)

Bandstand - Procedures have recently been put in place whereby the Town Council manages the bookings diary for the bandstand. For details please email [admin@chepstow.co.uk](mailto:admin@chepstow.co.uk)

## Support for local Community Groups

We remain committed to providing grants to local community based organisations; the payment of any grant is subject to certain terms and conditions and all applications are measured against the Well-being of Future Generations (Wales) Act. In 2020/21 the number of applications received was understandably down on previous years.

If you are interested in applying for a grant, visit [www.chepstow.co.uk](http://www.chepstow.co.uk) for more information.

Below is a summary of the grants we made over the last year:

### Organisation Grants 2020-21

Bulwark Community Centre £8,000  
Drill Hall Management Committee £8,000  
Monmouthshire County Citizens Advice Bureau £20,950  
The Palmer Centre £8,319

### Community Grants

Chepstow Town Band £500  
Walkers are Welcome £4,000  
Severn Area Rescue Authority £700  
Covid 19 Helping Group £1,000  
Chepstow Schools Cluster £30,000  
Transition Chepstow e-bike project £7,460  
Festival of Arts £3,015  
Friends of the Dell Play Area £4,675

## The Environment Wales Act 2016

Section 6 of the Environment (Wales) Act places a duty on all public authorities, when carrying out their functions in relation to Wales to “seek to maintain and enhance biodiversity” wherever possible within the proper exercise of their functions. In doing so, public authorities must also seek to “promote the resilience of ecosystems”. Section 6 also requires public authorities to consider the effect of decisions taken, or activities carried out within Wales, but also in relation to biodiversity outside of Wales.

Under subsection (6), public authorities must prepare and publish a plan setting out what they propose to do to maintain and enhance biodiversity. Having regard to any guidance given by the Welsh Ministers, and the documents listed in legislation.

This report describes the Town Council’s response to the Environment Act 2016 and how it has met its duties under the Act.

# The Council

## Background

Chepstow Town Council was created in 1974 following local government reorganisation and the cessation of Chepstow Urban District Council. It is one of 735 Town and Community Council in Wales.

In order to act and carry out duties as a member of a community or town council all persons are required to make a formal declaration of acceptance of office. Following this declaration, members of community or town councils are then holders of elected office and occupy a role that is part of the Welsh local government structure.

## Your Council

The Town Council is the grass roots voice of Local Government and is therefore closest to the people. It comprises 15 elected members, with three councillors representing each of the five wards of St Kingsmark, St Marys, St Christophers, Thornwell and Larkfield. The present councillors were elected in May 2017 to serve a five year term of office and together they serve a population of 12,350 at the 2011 Census.

The Mayor and Deputy Town Mayor are elected each year by the council at the annual meeting in May, although this year due to the Coronavirus pandemic this was delayed until September. Cllr Tom Kirton was elected as Mayor for 2020/21 supported by Cllr Dale Rooke as Deputy Mayor.

## Remuneration

Individuals who have accepted office as a member of a community or town council are entitled to receive payments as determined by the Independent Remuneration Panel for Wales and whilst Councillors hold elected office and give their time voluntarily it is generally without remuneration, although certain expenses may be re-claimed. The Independent Remuneration Panel for Wales determines allowances and mandates some allowances each year although Councillors may opt-out of the payment if they wish.

A payment of £150 is mandated as a contribution to costs and expenses for members of all community and town councils and, in accordance with Section 151 of the Local Government Measure 2011, Community and Town Councils must publish within their authority area the remuneration received by their members by 30th September following the end of the year to which the payment relates. This information is available on our website at [www.chepstow.co.uk](http://www.chepstow.co.uk).

## Meetings

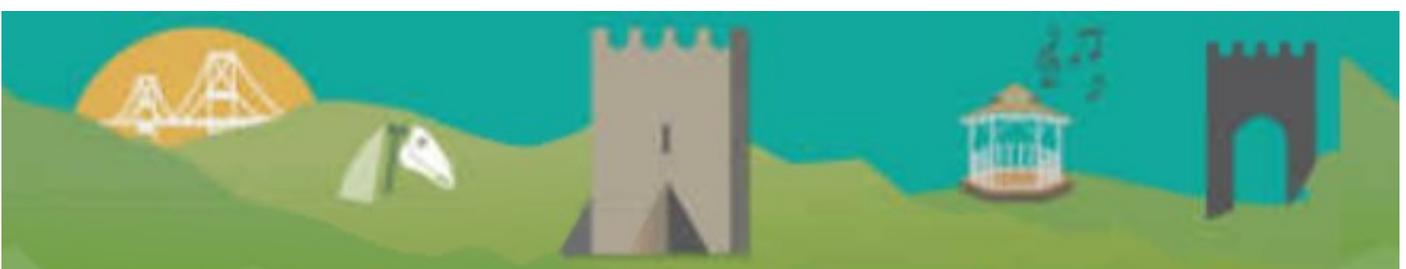

Councils conduct their business through meetings which are formal events with a clear purpose of making decisions following appropriate focused debate. As well as Full Council, where all members are required to attend, the Council, at their annual meeting, appoints Councillors to four main committees.

**Planning and Administration Committee**

**Environment and Amenities Committee**

**Finance, Policy and Audit Committee**

**Personnel Committee**

# The Councillors

## Partnership Working

The Town Council aims to provide effective and efficient services that give value for money and improve the quality of life for the residents of the town. The Town Council represents the community it services at local, county and national levels to ensure that Chepstow continues to be a desirable place to live, work, shop and visit. To achieve this, the Council will encourage and participate in partnership working with Monmouthshire County Council, community stakeholders and voluntary groups.

The Town Council strives to create a socially inclusive community and supports all voluntary groups who seek to develop the same and aims to encourage a more sustainable, safe and clean environment.

## Elected Member Responsibilities as Individuals

A Councillor has an active interest in their local community and plays a vital role in representing the interest of the community in which they serve by improving the quality of life and local environment.

Councillors must act within the law and must sign a declaration to say they agree to work within the Code of Conduct. They are able to suggest ideas, engage in constructive debate, represent constituents and respond to the needs and views of the local community.

Councillors are the voice of their local community and can work to influence other tiers of Local Government and help make collective decisions which form the policy of the Council.

Councillors contribute to the work of the Council by:

- \* Suggesting ideas
- \* Engaging in constructive debate
- \* Interacting with their electors
- \* Behaving in an ethical way
- \* Voting – enabling the Council to make decisions

Councillors cannot make decisions/promises individually, this has to be done by the Council as a corporate body. Councillors actively and constructively contribute to good governance and encourage community participation and residents' involvement in the work of the council.

Details on how to contact a Chepstow Town Councillor can be found on the Council's website:

[http://www.chepstow.co.uk/Contact\\_Us\\_30245.aspx](http://www.chepstow.co.uk/Contact_Us_30245.aspx)

# The Officers

## Administration Support

Services provided by the Town Council are managed and delivered by a team of six part-time employees, comprising three in administration and three mobile hygiene and asset maintenance operatives. This small team, based at The Gatehouse, is led by the Town Clerk who ensures that the correct procedures and policies are in place and followed in order to deliver services to a high standard.

## The Clerk and Responsible Financial Officer

The Clerk is the Council's Chief Officer employed under section 112 (1) of the Local Government Act 1972. As the Proper Officer of the council in law the Clerk is answerable to the Council as a whole. Individual members cannot give instructions to the Clerk. The Council must also appoint a Responsible Financial Officer (RFO) to manage its finances and at Chepstow Town Council the Clerk and RFO is the same person.

The role of the Clerk and RFO, although not exhaustive, includes:

- \* Advising the Council on legal matters, independently and objectively whilst recognising that the Council as a whole is responsible for its decisions
- \* Organising the Council's procedures
- \* Gathering information to help the Council make an informed decision
- \* Leading and supporting the officer team to carry out the decisions of the Council
- \* Implementing the Council's decisions
- \* Providing administrative support
- \* Personnel management
- \* Project management
- \* Health and safety management
- \* Management of Council's finances

The Clerk can have delegated powers of the Council to act on its behalf under the Local Government Act 1972 Section 101 (Discharge of Functions). Whilst it is good practice for the Clerk to consult on the content of an agenda with the Chair, the Clerk has the final say as Proper Officer and the legal signatory.

# Finance

Chepstow Town Council is funded by a precept which is an additional amount added to the Council Tax for Monmouthshire County Council based on the requirements of the Town Council.

In October the Finance, Policy and Audit Committee calculates the money the Council needs to raise in order to provide for its services and fund any projects planned. It then deducts any income that it expects to receive leaving a net amount known as the precept.

The precept for 2021/22 is £657,533 costing the average Band D council tax payer £119.35.

The Accounts and Audit (Wales) Regulations 2014 require town and community councils to have adequate and effective arrangements in place for an internal audit of their accounting records and their systems of internal control. This is carried out on a half yearly basis by an independent internal auditor.

The internal auditor is an independent and competent person appointed by the Council to carry out checks on its systems of control. The auditor carries out tests focussing on area of risk to public money, reports to the Council and signs a report on the annual return to confirm that the Council's systems of controls are in place and operating.

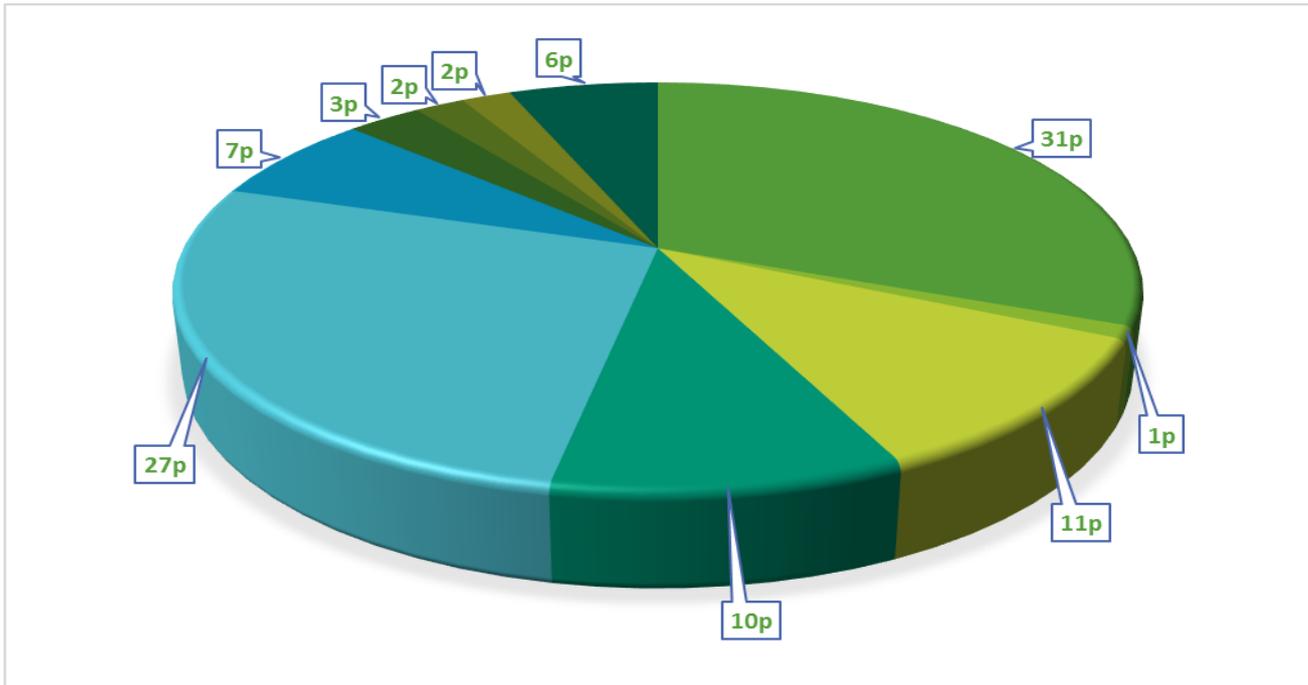

Members and officers are responsible for the spending of public money and are subject to the Councils Financial Regulations and are conscious of its responsibility towards maintaining services and ensuring best value for its precept payers. Accountability and transparency are key to members and officers for the spending of public money.

Being financially responsible as a public body is essential and the Town Council is governed by rules set out by Government to ensure that it takes no unacceptable risks. The Council has established a robust risk management scheme which highlights every significant risk in terms of its activities and makes clear how such risks will be managed.

Any further information detailing this, including the annual accounts can be found at [www.chepstow.co.uk](http://www.chepstow.co.uk).

# The Well-Being of Future Generations (Wales) Act

Wales is facing a number of challenges in the future and as a means to tackle these head on the Welsh Government created the Wellbeing of Future Generations Act. The aim of the Act is to improve the social, economic, environmental and cultural wellbeing of Wales.

The Act established statutory Public Service Boards and placed a duty on these bodies to define and deliver wellbeing objectives.

The Town Council, as one of the larger Town and Community Councils in Wales, is required by law to prepare an annual report showing how the Council is taking “reasonable steps” to meet the objectives set out in the Monmouthshire Public Services Board Well-being Plan. The full report is available via our website at [www.chepstow.co.uk](http://www.chepstow.co.uk) however the following section provides a brief summary of what the Town Council has achieved in the financial year against the objectives.

# Well-being Objective

Provide children and young people with the best possible start in life

## Objective

1. To increase funding to provide for additional provision within the current summer playscheme, working to ensure that schools and services for children focus on well-being and a more rounded approach than purely academic results.
2. To tackle the issues surrounding Holiday Hunger.

## Action

## Progress

To provide summer activities for 5 to 11 year olds

Due to the pandemic the usual summer activity changed from being run in three sites to just being run from the Leisure Centre due to the schools being closed. Funding support of £20,000 was made available towards the delivery of open access playschemes and uptake was good. In Chepstow 96% of the paid spaces available on the scheme were booked (the highest proportion in the county) and 66% of the free spaces were booked (this is the second highest in the county).

The feedback received from children and parents this year was extremely positive.

The Town Council also supported MCC with delivery of the Play Packs out to the community.

To tackle the concerns regarding holiday hunger

The usual SHEP (School Holiday Enrichment Programme) scheme was cancelled due to the pandemic however the Town Council financially supported Monmouthshire Housing with their Community Breakfasts and Picnics which provided breakfasts for the week to those attending.

To support those children whose families are impacted by the Covid 19 Pandemic

The Town Council awarded a grant of £30,000 to the Chepstow Schools' Cluster PTA from the Covid Emergency Funding scheme. This much needed funding was and will be used across all schools in Chepstow allowing for additional support and resources to the many families who have been impacted by the Covid crisis.

The main areas of concern within all schools are social isolation, mental health and wellbeing, digital exclusion and lack of provision for warm winter clothing and footwear.

The funding will provide additional IT equipment, stationery for those at home who may not otherwise afford these items, warm winter clothing, access to a Counsellor who will be available online to offer wellbeing support and, information on National On Line Safety which will provide information and safety tips to pupils and parents who are spending time at home isolating.

# Well-being Objective

## Respond to the challenges associated with demographic change

### Objective

1. Exploring the potential to develop good relationships between people of different ages
2. Focusing on well-being and looking after each other rather than just formal care provision
3. Developing networks for all ages that support people's well-being in their local communities
4. Ensuring suitable and affordable housing is available to people of all ages
5. Promoting active citizenship like volunteering and time-banking

### Action

### Progress

To ensure easy access community defibrillators across the five wards of Chepstow	Adoption of phone boxes in Denbigh Drive and Beaufort Square to install public access defibrillators. Installation of a AED (Automated External Defibrillator) outside Chepstow Community Hospital.
Financially supporting the Drill Hall and Bulwark Community Centre which are seen as local hubs of community activity where people can be active and supported	Both Centre's received £8,000 in funding in 20/21 with members representing the Council at meetings.
Financial support provided to a number of organisations supporting older people.	Grant funding was provided to The Palmer Centre to enable them to continue to provide the much-needed service to those who may otherwise be isolated, lonely and unable to meet friends due to the Covid-19 pandemic.
Continued support to the Chepstow Citizens Advice Bureau	Grant funding enabling residents of all ages to obtain free advice and support on a wide range of matters .
Financial support was provided to a number of organisations supporting older people	Grant funding was provided to The Palmer Centre to enable them to continue to provide the much-needed service to those who may otherwise be isolated, lonely and unable to meet friends due to the Covid-19 pandemic.
Community Centre reopening post Covid	Supplied all community centre's with the required PPE (Personal Protective Equipment) to enable them to reopen safely.
Continued support to the Chepstow Citizens Advice Bureau	Enabling residents of all ages to obtain free advice and support on a wide range of matters
Representatives on committees	Provided Council representation on a number of outside committees including the Palmer Centre Trust, Senior Citizens Welfare Trust, Chepstow Chamber of Commerce and Tourism, CCTV, Air Quality.
Partnership working MIND Monmouthshire	Partnership commenced May 2020 with the agreement that they would provide wellbeing and resilience sessions to adult individuals.

# Well-being Objective

Protect and enhance the resilience of our natural environment whilst mitigating and adapting to the impact of climate change

## Objective

1. To declare a climate emergency and “act now” on ideas and recommendations
2. Street Cleansing Partnership Agreement
3. Support local organisations with an interest in protecting and enhancing the environment
4. Dog Fouling reduction

## Action

## Progress

Climate emergency	In October 2019 the Town Council voted to declare a climate emergency and to consider ways of reducing carbon dioxide emissions to net zero by 2030. A number of initiatives are being investigated and projects underway .
To increase the use of pollinator friendly planning in the town	Additional planters have been placed throughout the town planted with pollinator friendly plants. The town’s floral contractor sources plants from a peat free nursery, reuses hanging basket liners and all soil at the end of the summer is recycled.
Street Cleansing	The Town Council is working in partnership with Monmouthshire County Council to provide a full street cleansing service to Chepstow. This includes cleaning the Town, emptying waste bins, grounds maintenance, bench maintenance and replacement and any other ad-hoc duties which are required,
Transition / Plastic Free Chepstow	Continue to financially support both of these groups.
Green roof eurobin store	Project ongoing to install a green roof eurobin store by the Boatman in the High Street.
Green Barrier A48	A submission to the Forest of Dean DC for S106 funding to cover the costs associated with installing a green barrier along a section of the A48 to provide a barrier to diesel particulates as well as increasing biodiversity opportunities and
Chewing Gum Littering	The Town Council has installed six Gum Ball Bins at locations found to have gum littering hot spots to encourage the public to reduce gum littering in a way that encourages a circular economy.
Planning Applications	All planning applications are considered for their environmental impact as well as business requirements and the historic character of the town.
Bike Racks	The Town Council worked with Monmouthshire County Council resulting in a number of bicycle racks and a bicycle repair station being installed throughout the town and Bulwark to encourage more active travel.

# Well-being Objective

Develop opportunities for communities and businesses to be part of an economically thriving and well-connected community

## Objective

1. To carry out a Whole Place Plan
2. Support the Tourist Industry in Chepstow
3. Promotion of Chepstow through events

## Action

## Progress

Whole Place Plan

Due to the pandemic this project was delayed by a few months. It is however now proceeding with us currently as the stage of inviting community groups to be involved in online stakeholder events. Residents have also been asked to become involved in shaping the future of Chepstow.

Work with other organisations / local business who bring trade into the area

The Town Council has worked closely with Monmouthshire County Council in promoting the Shop Local Shop Monmouthshire campaigns following the re-opening of the town after the first lock down and the period over Christmas.

The Town Council also provided 1-hour free parking spaces leading up to Christmas to support local traders.

Promotion of any Covid related grants available to businesses were promoted via the Town Council's website.

Supportive of events in and around the Town

The Town Council undertakes to arrange Bands on the Bandstand every Summer. It supports the events produced by the Chepstow Events Team. Works in partnership with Green Top Events to provide a weekly market between April and December on Sundays encouraging local people to have stalls.
