

## Could you support Chepstow's Drill Hall as a volunteer?

The Drill Hall is keen to welcome new volunteers to help deliver its programme of events and activities, keep and improve the Hall as a welcoming place and publicise what it has to offer to Chepstow and the wider community.

- Could you be part of the team that runs events (checking tickets, running the bar etc)?
- Do you have technical interests/expertise to get involved in looking after and/or operating the Hall's lighting or audio-visual equipment?
- Are you a DIYer who would be happy to offer some time to undertake small repairs or decorating?
- Perhaps you have a background in health and safety that would benefit the Hall's operation?
- Do you have administrative or IT skills that could support getting publicity about the Drill Hall's programme out and about?

If you fall into any of these categories and you think that you have skills or interests to offer we'd love to hear from you. There are opportunities to work during the day or in the evenings.

Come and join our friendly team making the Drill Hall a vibrant venue for Chepstow by dropping us a line to [drillhallvol@outlook.com](mailto:drillhallvol@outlook.com). We look forward to hearing from you!
