SpudFest
2023

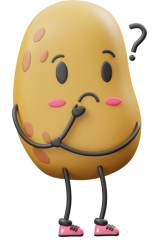

Welcome to the Chepstow Spudfest 2023...

Potato Trail!

What do I need to do?

Lots of businesses around Chepstow have put a special Spudfest poster on display, to make a trail for you to enjoy!

Every poster has a letter (or something else) to spot, and to write down on page 3. The letters will spell out a potato-ey food that you'll either love or hate!

There are also some other things to look out for in the posters. Take a look at page 4 to find out what you're looking for.

Below is a list of all of the businesses taking part in the potato trail, where you will find a poster. We have given you a map on page 3 to help you find them all.

These posters don't have letters, they have something different to spot. When you find the posters you'll be able to answer these questions:

21 Potato has been to the racecourse. What did he win?

22 Potato is at the castle protecting something precious. What is it?

23 Potato is at the riverside, a special place where two countries meet. What two special symbols are on this poster?

24 Potatoes are visiting the library and they've found some friendly pollinators learning about making honey! What type of insects are these?

Enjoy the potato trail!

Do you or your family like the food named in the potato trail?

What's your favourite potato meal?

Which was your favourite potato poster?

We would love for you to share your thoughts and photos with us! Find the Spudfest 2023 event on the Chepstow Town Council Facebook page and share away!
