

## **STATEMENT OF REASONS**

### **1. Beaufort Square, High Street, Chepstow**

The proposals are being funded by the Local Sustainable Transport Covid Response Grant. Provision of a raised platform and associated highway works between High Street and St Marys Street in order to provide better connectivity for pedestrians and cyclists going from the north to the south of Chepstow and vice versa. To provide a wider space and enhanced safer connectivity between the High Street and St Marys Street.

### **2. Lion Street, Abergavenny**

The proposals are being funded by the Local Sustainable Transport Covid Response Grant. To provide continuity of a cycle network between the cycle network in Ross Road and Lower Monk Street to and from the town centre and to encourage more sustainable cycle patronage and usage through Active Travel.
