Fixed assets are recorded at their purchase cost, where this is not known, usually the insurance value will be substituted, or where the asset has little or no residual value, a minimum sum will be applied.

Debtors and Creditors

The revenue accounts of the Council are maintained on an accruals basis in accordance with the "Practitioners Guide". That is sums due to or from the Council during the year are included whether or not the cash as actually been received or paid in the year.
